ABOUT GATEWAY EDUCATION

Gateway Education is a center of excellence for highly specialized education, and research and to produce technically sound and multifaceted engineers and managers for ready acceptance by the industry. We enrich the journey of education by giving qualitative education, imbibing strong Indian culture and moral values among students from all spheres. The institute is affiliated with Deenbandhu Chhotu Ram University of Science and Technology (DCRUST), Murthal, and approved by AICTE, India. We offer degree Programme in B.Tech, BCA, BBA, MBA, MCA, B.Pharm, D.Pharm.

HIGHLIGHTS OF OUR FIRST NATIONAL CONFERENCE HELD ON 24-25th FEBRUARY, 2023

The National Conference on "Changing Global Business Landscape: Challenges, Strategies, and Business Resilience" was a remarkable event dedicated to fostering discussions and exchanging innovative ideas in the fields of Business and Management. The conference aimed to advance the theory and practices within these domains. Gracing the occasion as the esteemed Chief Guest was Dr. Rajeev Kumar from Gurugram University, whose expertise and insights brought immense value to the event.

The conference was conducted in a blended mode, combining offline and online sessions. Dr. M. Chitra, an Associate Professor from the School of Entrepreneurship at Rishihood University, skillfully presided over the offline session, ensuring an engaging and fruitful gathering. Meanwhile, the online session was brilliantly led by Dr. Reena Malik from Chitkara School of Business, Dr. Rakesh Garg from Amity University, Noida and Dr. Parveen Chauhan from Jagannath University, Bahadurgarh.

The event witnessed enthusiastic participation from approximately three hundred delegates representing various prestigious universities and colleges. These scholars and researchers shared their well-crafted research papers, exploring diverse sub-themes related to the conference's central focus. It provided a conducive platform for intellectual growth, knowledge exchange, and the promotion of innovative solutions in the dynamic fields of Business and Management. The collaborative efforts of all the participants have undoubtedly contributed to the advancement of academia and the professional community as a whole.

HIGHLIGHTS OF OUR SECOND NATIONAL CONFERENCE HELD ON 01-02 DECEMBER, 2023

"Synergizing India" is a national conference for accelerating growth through the 'Digital India' Initiative, bringing experts, policymakers, and industry leaders to foster inclusive development. Under Prime Minister Narendra Modi's leadership, the initiative has expanded internet connectivity with BharatNet, introduced Aadhaar for digital identity, and transformed digital payments with UPI. E-governance initiatives, like Jan Dhan Yojana, digital education (SWAYAM), and healthcare (NDHM), promote access and efficiency. Start-up India supports innovation, while skill development enhances employability. With a focus on data security and privacy, India advances as a global digital leader. Prime Minister Modi's vision drives the nation's digital empowerment, bridging the urban-rural divide and creating a thriving digital ecosystem.

This conference aims to delve into groundbreaking approaches for harnessing digital technologies and promoting inclusive development across various sectors.

Gracing the occasion as the esteemed Chief Guests were Prof. (Dr.) Lalit B. Singhal, Board of Advisor and Honorary Director and Prof. (Dr.) Sushil Chandra, Dean and Professor, School of Psychology and Education, Rishihood University, Sonapat, whose expertise and insights brought immense value to the event. A book entitled, "Engineering Economics" authored by Dr. Shish Pal and Dr. Vinay Kumar Singhal was launched by chief guests.

Dignifying the conference as esteemed Guest of Honors were Prof. Kuldeep Chikkara, MDU Rohtak, Prof. (Dr.) Arvind Dagur, Galgotias University, Greater Noida, Prof. (Dr.) Dinesh K. Vishwakarma, Delhi Technological University, Delhi and Mr. Mahipal Singh, Director, Ronak Publication Ltd, Delhi their whose expertise and insights brought immense value to the occasion.

The conference was conducted in a blended mode, combining offline and online sessions. Dr. Jitender Kumar from DCRUST, Murthal, Dr. Satpal from DCRUST, Murthal, Dr. Umma from World College of Technology and Management, Gurugram and Dr. Rakesh Garg from Amity University, Noida skillfully presided over the offline sessions, ensuring an engaging and fruitful gathering. Meanwhile, the online session was brilliantly led by Dr. Seema Garg from Tikaram College, Dr. Parveen Chauhan from Jaganntah University, Bahdurgarh, Dr. Parmod Kumar from GJUST, Hisar. The event witnessed enthusiastic participation from approximately three hundred delegates representing various prestigious universities and colleges. These scholars and researchers shared their well-crafted research papers, exploring diverse sub-themes related to the conference's central focus. It provided a conducive platform for intellectual growth, knowledge exchange, and the promotion of innovative solutions in the dynamic multidisciplinary fields. The collaborative efforts of all the participants have undoubtedly contributed to the advancement of academia and the professional community as a whole.

HIGHLIGHTS OF OUR 1st INTERNATIONAL CONFERENCE HELD ON 01-02 DECEMBER, 2024

The aim of the conference is to explore the latest trends and developments in the field of social sciences, engineering and technology and how they can be leveraged to achieve strategic success in the digital era and to provide a platform for students, research scholars, academicians, corporate professionals, and other stakeholders to share their insights, experiences, and best practices on how to integrate digital innovation into various fields study. The conference also intends to foster networking and collaboration among the participants and facilitate learning from the experts and industry leaders.

Gateway Education organized a two-day International Conference on "Sustainable Development" on 1–2 December 2024, which brought together experts, industry leaders, and academic professionals to discuss and explore sustainability in today's world.

The first day of the event featured esteemed experts and leaders from various sectors who gathered to share knowledge on sustainable practices and innovations. The conference was honored by the presence of Dr. Ajay Kumar Chauhan, the Guest of Honor, along with other notable figures such as Mr. Mahipal Singh, Founder and Director of Ronak Publication House, and Mr. Abhishek Rajput, Founder of Icarians and Executive Director of Ronak Publication House. Their insights and contributions added immense value to the discussions on sustainability across different fields.

The conference was led by Dr. Col. Amik Garg, Director General of Gateway Education, and Dr. Vinay Kumar Singhal, Principal of GIET, who played pivotal roles in ensuring the success of the event. Their leadership and vision helped facilitate meaningful conversations and foster

collaboration among participants, creating a global perspective on sustainability and its relevance in contemporary society.

About 2nd International Conference July 4–5, 2025

The 2nd International Conference on Futuristic Trends in Networking and Computing Technologies (FTNCT 2025), organized by Gateway Institute of Engineering and Technology (GIET), took place on July 4–5, 2025, and featured an impressive lineup of keynote speakers, each a leader in their respective fields.

The conference began with a keynote by Mr. Vilas Shewale, Principal Specialist at Energy Transfer, USA, who shared insights on Industry 4.0 and Cybersecurity, discussing the implementation of cutting-edge cybersecurity measures in critical infrastructure. This was followed by Mr. Sureshkumar Karuppuchamy, Senior Engineering Manager at eBay, USA, who delivered a talk on Modernizing at Scale: Real-World Lessons from Large-Scale Platform Transformation, highlighting eBay's successful platform modernization efforts.

Later in the day, Ms. Nandita Giri, Senior Software Engineer at Microsoft, USA, explored Enterprise Learning Reinvented: How AI is Powering the Workforce of Tomorrow, focusing on the role of AI in shaping the future workforce. Mr. Milankumar Rana, Software Engineer Advisor at FedEx, USA, discussed The Rise of AI Generalists, Transforming the Future of Work, offering his expertise on the intersection of AI and cloud solutions.

On July 5, 2025, the conference continued with Mr. Ranganath Nagesh Taware, Chief Architect at Capgemini, USA, presenting on Generative AI in the SDLC: From Code to Customer, addressing how AI is integrated into the software development lifecycle. Mr. Sathish Krishna Anumula, Senior Enterprise Architect at IBM, USA, followed with a keynote on Digital Transformations in Manufacturing, examining how digital technologies are transforming the manufacturing sector.

The conference also included sessions from other renowned experts such as Prof. Fausto Pedro García Márquez on Artificial Intelligence and Green Energy, and Prof. Paolo Rocca on Building a Smart EM Environment for Next-G Wireless Communications, among others.

ABOUT THE 3rd INTERNATIONAL CONFERENCE

31 JULY - 01 AUGUST, 2026

Aims of CAMPUS 2026

The conference aims to bring together researchers, practitioners, policymakers, and innovators from Computing, Architecture, Management, Pharmacy, Unified Sciences, and Social Sciences to explore how multidisciplinary knowledge can accelerate progress toward the Sustainable Development Goals (SDGs). CAMPUS 2026 seeks to serve as a collaborative platform where scientific insight, technological advancement, and social responsibility intersect, enabling evidence-based solutions for inclusive, resilient, and sustainable development.

Objectives of CAMPUS 2026

1. Foster Multidisciplinary Dialogue

Promote meaningful exchange across computing, architecture, management, pharmacy, natural sciences, and social sciences to develop integrated approaches aligned with SDGs, national missions (Digital India, Smart Cities, AMRUT, PMAY, Ayushman Bharat), and global frameworks such as the Paris Agreement and WHO initiatives.

2. Advance Research That Drives Sustainable Futures

Encourage presentation of cutting-edge research—ranging from AI for public good to sustainable architecture, ESG-driven business models, pharmaceutical innovation, climate science, and inclusive governance that contributes to measurable SDG outcomes.

3. Strengthen Innovation Ecosystems

Provide a platform for start-ups, educators, industry partners, and government representatives to share best practices, co-create solutions, and build partnerships that support entrepreneurship, digital transformation, universal health coverage, and climate resilience.

4. Promote Evidence-Based Policies and Social Impact

Support the translation of scientific research into actionable policy recommendations on issues such as poverty reduction, gender equality, digital inclusion, sustainable cities, responsible communication, and public health preparedness.

5. Build Capacity and Future-Ready Skills

Empower students, young researchers, and professionals with knowledge of emerging technologies, sustainable design, responsible business, community health, and interdisciplinary research methodologies needed to meet SDG-driven societal challenges.

6. Encourage Global and Local Collaboration

Strengthen international academic cooperation and local community engagement by aligning research themes with UN SDGs, India's developmental missions, and global sustainability roadmaps—building bridges between theory, practice, and grassroots innovation.

Organizing Committee

Chief Patron

Mr. Sahil Aggarwal

(Executive Director, Gateway Education)

Patron

Dr. Amik Garg

(Director General, Gateway Education)

Conference Director

Dr. Vinay Kumar Singhal

(Principal, GIET Sonipat)

Convener

Dr. Mamta Arora

Co-Convener

Dr. Sunita Saini

Dr. Shakuntla Dangi

Faculty Coordinators

Dr. Shailja

Dr. Renu

Ms. Anju Saini

Mr. Deepak Yadav

Ms. Namrata

Ms. Nutan

Dr. Soniya Gupta

Ms. Savita

Ms. Shivani, GCP

Organizing Secretary

Dr. Aakash Gupta

Dr. Mohit Bansal

Er. Sunny Singla

Er. Lalit kr. Gureja

Er. Anil Arora

Er. Ajay Kumar

Student Coordinators

Ananya (MBA 2nd)

Abhimanyu (MBA 2nd)

Tarun (MBA 2nd)

Bhumika (MCA 2nd)

Abhishek (MCA 2nd)

Aditya (CSE AIML 2nd)

Ashish Mann (CSE AIML 2nd)

Heena (BBA 4th)

Shreyansh (BBA 4th)

Yash Katariya (BBA 4th)

Advisory Board

Dr. FNU Pratima, Texas A&M University, Commerce, USA.

Dr. Melese Waktola, Hawassa University College of Business and Economics, Ethiopia

Prof. Bart Norré, School of Management Fribourg, Switzerland.

Prof. Sajaywal Roy, Dean, Department of Social Work, DU

Prof. Sudesh Chikkara , Vice Chancellor, BPSMV, Khanpur

Mr. Sobhit Mathur, Vice Chancellor, Rishihood University, Sonipat

Prof. R.K. Garg, Professor, Mechanical Department, DCRUST, Murthal

Ms. Tanushree Das, Principal, GCAD, Sonipat

Dr. Rahul Sharma, Prinicipal, GCP, Sonipat

Dr. Shish Pal, Dean R&D Gateway Education, Sonipat

3. Area/Themes (only indicative list)

Themes

Computing / Computer Science (Aligned with SDG 4, 8, 9, 11, 16, 17 | Digital India, National Digital

Health Mission, Smart Cities Mission, India Stack)

- Digital Governance, e-Government & Open Data
- Smart City Technologies, IoT & Urban Analytics
- AI, Data Science & Inclusive Innovation
- Health Informatics, Telemedicine & Digital Health Platforms
- ICT in Education & Digital Learning Ecosystems

Architecture (Aligned with SDG 9, 11, 13 | Smart Cities Mission, AMRUT, PMAY, Swachh Bharat, Paris Climate Agreement)

- Sustainable Architecture & Climate-Responsive Design
- Affordable Housing & Inclusive Urban Design
- Urban Sanitation, Public Spaces & Healthy Cities
- Smart Infrastructure, Mobility & Transit-Oriented Development
- Heritage Conservation & Cultural Landscapes

Management (Aligned with SDG 4, 5, 8, 9, 12, 17 | Startup India, Make in India, Atmanirbhar Bharat, ESG / CSR norms)

- Entrepreneurship, Start-ups & Innovation Ecosystems
- Sustainable & Responsible Business
- Inclusive HRM, Diversity & Gender Equality at Work
- Digital Transformation & Industry 4.0 Management Practices
- Social Entrepreneurship & Impact Investment

Pharmacy (Aligned with SDG 3, 9, 10, 17 | Ayushman Bharat, National Health Policy, WHO UHC, National TB/NCD programmes)

- Access to Medicines, Essential Drugs & Universal Health Coverage
- Rational Use of Medicines & Antimicrobial Stewardship
- Pharmaceutical Innovation, Vaccines & Public Health Emergencies

- Community Pharmacy, Telepharmacy & Rural Health Services
- Pharmacovigilance, Drug Safety & Regulatory Affairs

Unified Sciences (Natural & Social) (Cross-cutting SDG 1–17 | SDGs, Paris Agreement, Sendai Framework for Disaster Risk Reduction, IPCC reports)

- Climate Change, Environment & Sustainability Science
- Disaster Risk Reduction, Resilience & Risk Communication
- Public Health, Epidemiology & Health Policy
- Food Systems, Agriculture & Nutrition
- Science Communication, Citizen Science & SDG Awareness

Social Sciences (Aligned with SDG 1, 4, 5, 10, 16, 17 | UN Human Rights Frameworks, National Education Policy, Social Protection Missions)

- Poverty, Inequality & Social Protection Policies
- Governance, Democracy, Law & Human Rights
- Education Policy, NEP 2020 & Inclusive Pedagogies
- Gender, Identity & Inclusive Development
- Media, Digital Society & Responsible Communication
- Community Development, NGOs & Grassroots Innovation

Guidelines for Authors

Paper Format and Page Layout

Format: MS-Word (.doc, .docx)

Language: English only

Length: From 2000 to 6000 words

Column: Single column

Spacing: Single-line spacing

Font Size: 12, Font Type: Times New Roman).

Margin: Top 1.52 cm”, Bottom 1.27 cm”, Left 2.03 cm”, and Right 2.03cm”.

Page layout: Portrait with 0.5 Header and Footer margins

Submission: Online

Plagiarism Policy

The submitted manuscript undergoes the plagiarism check through the software, and if the plagiarism is above 10%, the decision of revision is sent to the author immediately.

Citation in text: Please ensure that every reference cited in the text is also present in the reference list (and vice versa). The references in the reference list should follow the standard APA reference style of the journal and citation of a reference.

For reference: Author, A., & Author, B. (year). Title of article. Journal Title, Volume(Issue), page range. DOI

Poster Presentation: These represent findings from a current working paper related to the theme of the conference. Authors display readable posters of their research and should be available to discuss and answer the questions during the assigned poster session. There is a separate award for

the best poster. Submission of an electronic copy of the poster in PDF format is must before the deadline. Poster Size & dimensions are A1 size. The poster MUST be in portrait layout only.

Important Dates

Abstract Submission	May 25, 2026
Notification of Acceptance	July 10, 2026
Full Paper Submission with Payment	July 20, 2026
Conference Inauguration	July 31, 2026
Conference Valedictory	August 01, 2026

Registration Fee (Per Author)

For Students & Research Scholars:- ₹300/- (Three Hundred Only)

For Teachers/Professionals/Industry:- ₹500/- (Five Hundred Only)

The last date of registration for delegates/participants is May 05, 2026. All participants are required to pay

the registration fee only through the below given bank details:

Bank A/C Holder's Name :	Gateway Institute of Engineering and Technology
Bank Address :	Punjab National Bank, Sector 11, Sonipat
Account number :	12301011000306
IFSC Code :	PUNB0123010
Bank Code :	1234
Type of Account :	Current Account
